

AMSTERDAM PRO BONO DAY

Wednesday 25 November, 2020

Pro Bono In Times of Crisis

[European Pro Bono Week](#) celebrates the role played by volunteer lawyers in supporting civil society and those in need. During this week, events will take place all across Europe, including in Amsterdam. The Amsterdam Pro Bono Day will highlight and promote pro bono culture through five online events.

By bringing together various stakeholders in pro bono culture – lawyers, law students, non-profits, human rights activists, academics, and businesses – we want to start conversations on the overarching theme of this year: the role that pro bono culture can play in responding to global crises.

If you are interested in joining any of the Amsterdam Pro Bono Day events, please save the date and register.
