

EYBA Task force - Lawyers united to support Ukrainians abroad

There are many Ukrainian people who are currently outwith the country who can't get home or who are seeking protection in European countries.

The European Young Bar Association has created a list of lawyers expert in migration law, human rights and refugee law, in the European countries, that are available to give advice for who is in need or to help collate information.

The European Young Bar Association is a European non-profit association of young lawyers. Founded over 27 years ago, on 23 May 1993 in Prague, it brings together young bar associations from across Europe in one representative organization, providing a unified voice for young lawyers on a continent-wide basis.

The EYBA is founded on key fundamental principles such as democracy, human rights, access to justice and the rule of law.
