

Luxembourg Pro Bono Day 2024

Pro-Bono: the way forward for Luxembourg

The primary goal of this event is to foster and promote the pro bono culture among legal professionals in Luxembourg. As a first step, we are organising a roundtable discussion to exchange views and best practices.

We aim to bring together lawyers from various firms across Luxembourg and civil society organisations. The insights and collaboration during this discussion will be pivotal in forming a steering committee to plan actionable steps, transitioning from theory to practice.
