## Transport Logistics

### Getting to the Conference Venue

The conference is taking place at **Century City Conference Centre** in Cape Town.

Cape Town International Airport (CPT) is located approximately 20 km from Century City. You will have two main transportation options.

#### Rideshare & Taxis (Recommended)

- **Uber & Bolt:** Both operate extensively in Cape Town and are the easiest, most reliable transport options for visitors.
- We recommend that you order an Uber or a Bolt from the airport. Follow the instructions in the app for the location of the Uber/Bolt pick-up area.
- **Drop-off Point:** Set your destination to **Century City Conference Centre, No. 4 Conference Square, Energy Lane**.

#### Important Accommodation Note

**Note for Attendees:** Conference delegates are accommodated across several different hotels throughout Cape Town (including downtown CBD, the V&A Waterfront, and Century City itself).

Please double-check your hotel location prior to arrival and factor in morning peak-hour traffic when planning your daily travel to the venue.
